PERSONAL STATEMENT

ESSAY REQUIREMENTS:

A personal statement of 500 words or less must be included with the application packet. Personal statements should include factors such as extenuating circumstances including (but not limited to) socio-economic background, ideological viewpoint, disability, etc in their evaluation of the application. Personal statements may also include: (1) how your personal background impacted or can impact your first-year as an engineering student, (2) professional goals, (3) your scholarly interest or both academic research and/or (4) an experience, class or person that significantly changed or impacted your life and/or how your identity or background will contribute to diversity in your chosen profession. Applicants may also discuss why they are in majoring in engineering, computer science, and/or technology.

I certify that the information provided on this application is complete and accurate. I understand that providing false, misleading or incomplete information will be the basis for denial or revocation of scholarship funds. I understand that the Office of Student Financial Services and the Roy G. Perry College of Engineering reserves the right to modify my award (financial aid/scholarship, etc.) at any time due to changes in my eligibility, enrollment status, housing status, availability of funding; or receipt of any funds not included in my original award.

If necessary, Prairie View A&M University may release my academic information to University Colleges/Departments as well as outside donors. Prairie View A&M University has permission to release this information for review, recruitment and public relations. I further understand that awards depend on the availability of funds and financial need.
